CREATION!

The Worlds Fair's Grandest Exhibition, The Volcano Spectacle,

Has been secured by the Carroll Amusement Co. for the Cherokee Corn Carnival week at Vinita. This is undoubtedly one of the best exhibitions on the road this year, and will be a great treat for those who did not pay a visit to the World's Fair at St. Louis last year. The work in this exhibition is grand and beautiful, historical and interesting to old and young alike. Every family in Vinita will, no doubt, take in "Creation," the Volcanic Show next week, and our country friends always go to see the best shows when they come this way.

This will be another of the big attractions for next week.
